Drinks Menu

A lot of what you will see has been created by our in-house bar tenders who have lovingly sacrificed their time to thinking and drinking up these creations. If you have any questions regarding them, call one over and they will gladly talk you through suggestions and give their take on how to spend your time with us!

If you're looking for a particular cocktail that isn't listed on our menu, feel free to ask us to create it for you. All the classics can be made, perhaps even with a Palm twist! So whether that's an **Amaretto Sour** or a **Singapore Sling**, an **Old Fashioned** or an **Iced Tea**, an **Aperol Spritz** or the infamous **Espresso Martini**, we have you covered, the list is endless!

Lastly, if you have any allergies or dietary requirements, let us know and we can make the cocktail of your choice to your liking.

Now let us look after you, we hope you enjoy...
