ALLERGEN INFORMATION

We have taken all reasonable steps to avoid the unintentional presence of allergens. However, we cannot fully guarantee that products are 100% free from allergens as we do not have specific allergen-free zones in our kitchens & bar. Therefore, it is not possible to fully guarantee allergen separation. We cannot guarantee that any dishes are free from nut traces. Please note, "aquafaba" on our menu refers to chickpea water.

This table contains the food and drinks items we sell that contain allergens; a tick in the box indicates the allergen(s) present.
